NEW CHURCHES PLANTED

- The Bible was translated and printed in another language for the **first time in history**.

- The **first indigenous church** was planted among an unreached Muslim people.

- We've seen **former Muslims praise God for the war in Syria** because it has led them to the peace of Christ.

- Among a people where there was no Christian presence, **4 new churches now exist.**

- IMB is once again poised to partner with churches to send more missionaries.
-

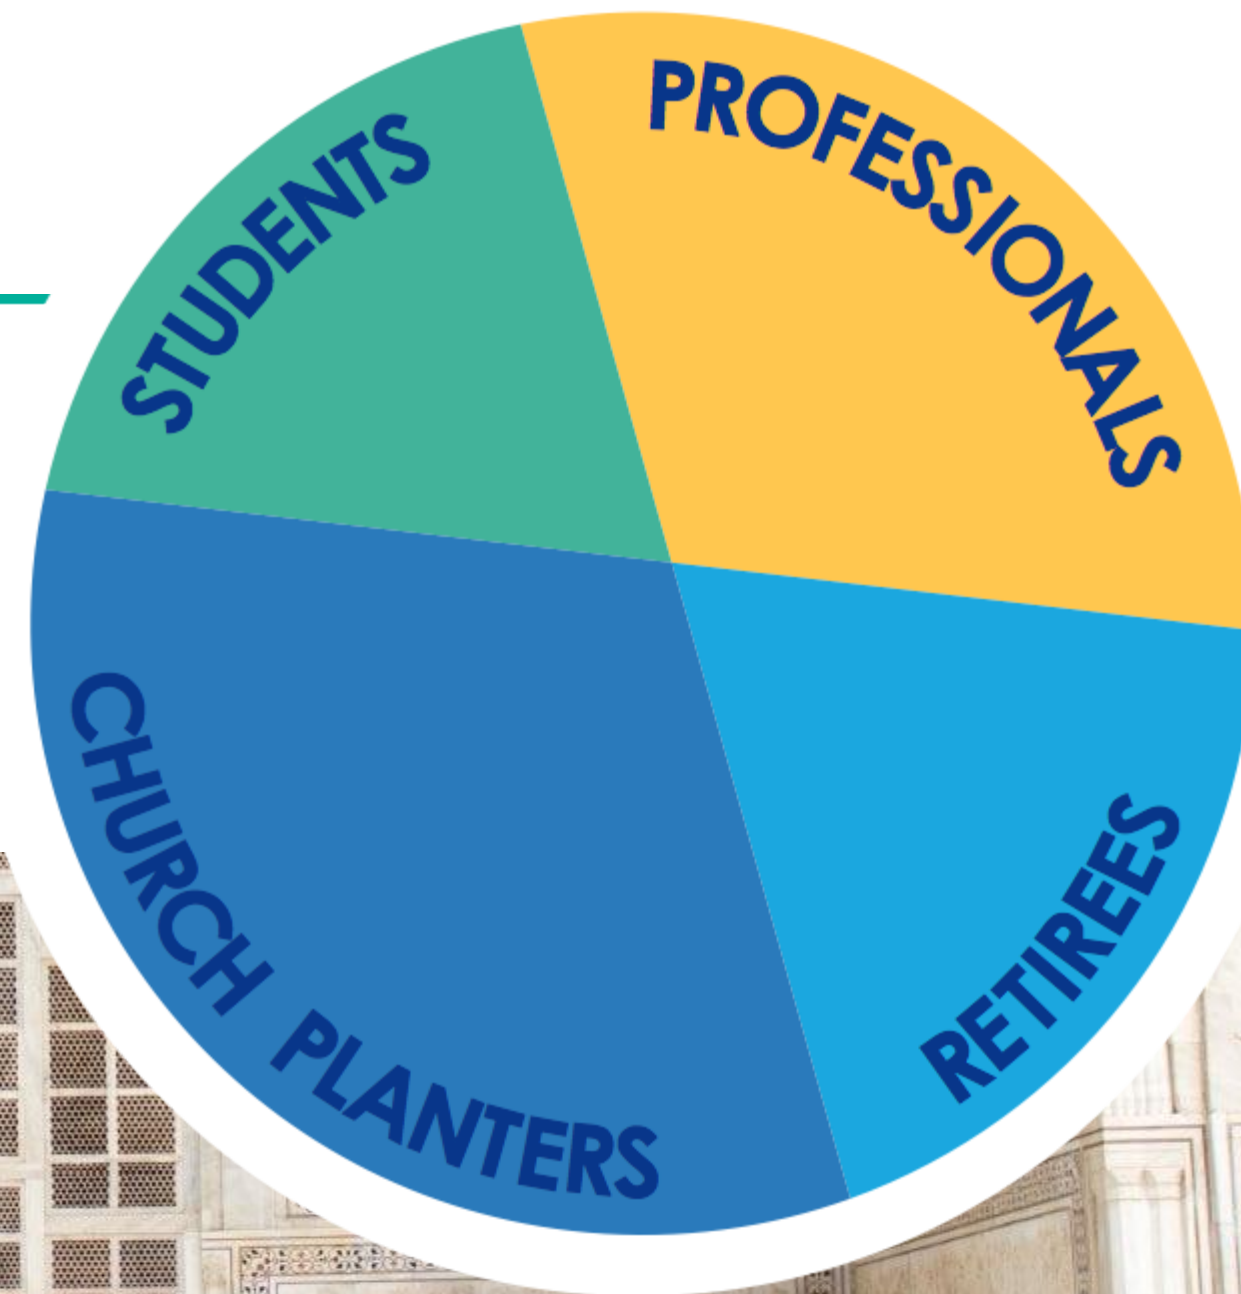

- Every single one of us has a part to play in God's mission.
